► SERIES OVERVIEW

The Harbor Natural brings a highly realistic, premium lawn solution with a perfect balance of beauty and durability. Featuring a blend of three meticulously crafted yarn colors—field green, olive green, and light brown—this turf mimics the rich, vibrant look of natural grass, making it ideal for both residential and commercial use. Slightly more compact in height and weight, the Harbor Natural offers a lush, authentic appearance with minimal maintenance. It's the perfect choice for those who want the stunning visual appeal of a natural lawn without the high upkeep, all year round.
